Anja Riedle,
Head of Smart City, SBB

smartcitylabbasel.ch |

 Smart City Lab Basel

Meanwhile in Switzerland...

Smart City – or: When urbanization meets digitalization.

Smart Mobility

Smart Building

Smart Public Space

Smart Energy

Smart Connectivity

High relevance, large contribution

Medium relevance, medium contribution

Low relevance, small contribution

Smart cities:
SBB's contribution.

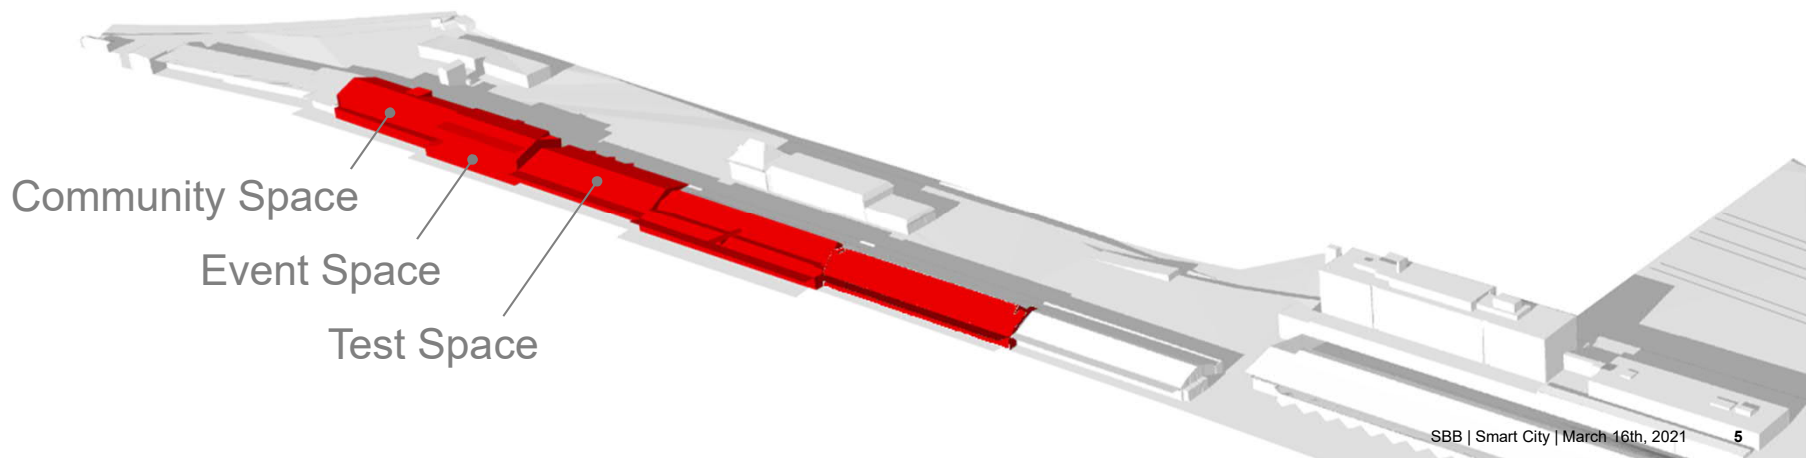

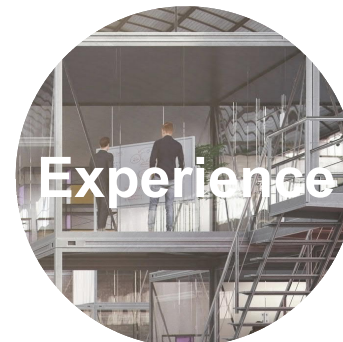

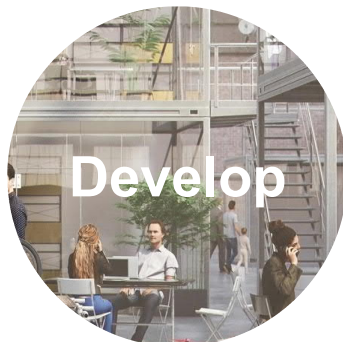

What is a «Smart City»? And what is the Smart City Lab Basel?

What is a «Smart City»?
